Our Guarantee

We guarantee all items to be free from defects in material and workmanship. If you are not satisfied with an item return it to us in original condition within 30 days. Various manufacturers warranties may apply.

Returns & Repairs

We will serve you quickly and efficiently in the repair of any item we sell, based on manufacturer's warranty. Please send a copy of your invoice with warranty returns. We reserve the right to charge a restocking fee for catalog items returned after 30 days. Special orders and hazardous materials are not returnable.

Return Procedures

Please help us serve you better

1. Provide the reason for the return.
2. Include a copy of the invoice or the invoice number.
3. Place the item in its original packaging, and pack into a sturdy outer carton.
4. Ship the item back, insuring for its value in case of shipping damage or loss.

Outer or Concealed Damage

If merchandise arrives in a damaged box, sign the receipt and write on the receipt "received in damaged condition". If the outer carton is intact but the merchandise is damaged, do not remove it from its box. In either case, call the carrier and request an inspection on your premises. They will deny any liability for damaged merchandise, unless the above procedures are followed.

Back Orders

In the event an item is temporarily out of stock, the item will be placed on back order and shipped as soon as possible. Please advise if you prefer no back orders. For convenience and savings for those who order regularly, we make every attempt to combine the back ordered item with new orders.

Super Carbide Burs - Type HP

Super carbide burs have a strong bond between the carbide steel and shaft which is unaffected by temperature. Exact concentricity and durability give it a high wear resistance even under unfavorable clearances. Burs have 3/32" shanks and a 1 3/4" length for use with friction grip handpieces found on high speed tools like micro motors and air driven handpieces.
